

RESEARCH PAPER SELF-EVALUATION

Name: _____ Topic: _____

Did you feel you worked well, used your time wisely, and were well prepared to write your paper? Why / Why not?

What could you have done to be even more prepared?

What areas of your paper did you feel went very well?

What areas of your paper did you feel were weak?

What could you have done to improve in those areas?

What new facts did you learn while doing your research?

What did you learn about the process of writing research papers from actually doing it and evaluating others' papers?

The next time you need to write a paper, what will you do differently?

What would you like help / advice on?
