Class Reminders

Please remember that all birthday treats in Mrs. Fisel's class only must be nonedible treats.
Thanks! ☺

It is my hope to have all email contacts in sometime this week. Please look for a group email from me soon.

Friday folders were sent home for the first time on the 16th. This is the folder that contains all of the students' math and social studies work. Please empty the graded work at home and send the folder back to school. Thanks!

Math

In math next week we will continue to focus on Unit 1. We will review arrays and start to explore basic division. We will connect basic multiplication equations and division equations together. The kids will also explore with making equal groups by using manipulatives when dividing and multiplying. Please continue to encourage your child to study his or her math facts every evening. At the end of the week we will focus on even and odd numbers.

Math Vocabulary

The following are a quick list of the vocabulary words we will focus on the next few weeks in math-
equation, multiplication, factor, product, multiples, division, divisor, quotient, and dividend

Social Studies

Next week in social studies we will focus on landforms. We will create a flip book with the following landforms- mountain, plain, plateau, valley, island, peninsula, ocean, and river. We will then start to focus on our oceans and continents.

PTO News

Order your UGES Spiritwear now. Order forms are on the main page of the website. Orders and payments are due no later than Friday, Sept. 30. Thanks PTO!
