Class Info.

My web page on the school website has a list of our daily homework assignments and weekly events. If it is not updated when you go on it is because the system will not let me on that day.

SNACKS IN ROOM 125

ALL SNACKS AND FOOD ITEMS IN OUR CLASSROOM MUST BE PEANUT/NUT FREE AT ALL TIMES! WE HAVE TO WORK TOGETHER TO KEEP ALL THE STUDENTS IN THIS CLASSROOM SAFE AND HEALTHY! THANK YOU SO MUCH FOR YOUR HELP! I REALLY APPRECIATE IT!

Math

In math this year we are starting with Unit 1, Multiplication and Division 0-5, 9, and 10. Next week we will focus on multiplying by 5's, multiplying and creating equal groups and we will start to think about arrays (math pictures). It is VERY important that you encourage your child to practice his/her multiplication facts a little every evening. The quicker they can recall these facts the easier math will become. We do practice them at school too!

Math Vocabulary

The following are a quick list of the vocabulary words we will focus on the next few weeks in math-

Count-by, equation, multiplication, factor, product, multiples, and division

Social Studies

Next week in social studies we will focus on map skills. We will learn different parts of a map and then the kids will create their very own map and implement the parts that we have learned.

PTO News

Order your UGES Spiritwear now. Order forms are on the main page of the website. Orders and payments are due no later than Friday, Sept. 30. Thanks PTO!

PTO Dining Out Night at **Culver's**
September 28th 4:00-8:00 pm Come join us for a night out and support the PTO!
